FROM WRITER AND DIRECTOR TRINA MCGEE AND DIRECTOR MARCELLO THEDFORD

Vanessa Johnson (Trina McGee of *Boy Meets World* and *Girl Meets World*) has left her wealthy suburban family - and trust fund - behind, moving into the city to pursue her art. A talented dancer, she'd rather live on the gritty edge in the city than continue her old pampered existence. She thinks she knows what she's doing, but finds herself in over her head when a dangerous romance starts to dominate her life. Her new lover is just launching a glamorous fashion photography studio. He's bad news, cheating his partner, and brazenly sleeping with other women. When he gets violent with Vanessa, she turns to an all-knowing paranormal seer to help find the truth. Soon she knows more about *The Sins of the Guilty* than she ever wanted. When both her lover and domineering mother turn up murdered in her own building, the walls of her new life close in.
